REQUEST FOR PROPOSAL CITY OF READING

The City of Reading is accepting proposals for the cleaning of well #7 Screen from rust incrustation & mineral deposits.

Proposals must be returned in a sealed envelope marked “Well #7 Proposal” to the following address: Reading City Hall, 113 S. Main Street, PO Box 240, Reading, MI 49274, by 4:00 pm on Thursday, July 28, 2016.

Work to be performed:

Pull existing pump

Sonar jet screen (or equivalent provide supporting documentation)

Clear well for photo logging

Reinstall pump

Run and Test bacterial as required by the MDEQ

Put well back online

Note: should conditions change and additional work be required, beyond the original Scope of this project please include your hourly rates that will be applied. The City of Reading must be consulted prior to any additional work being performed.

Well #7N
