

Department of Public Works Notice  
02/02/2017

Due to a mechanical error on Wednesday, February 1, 2017 at 12:30 pm both of the City's wells turned on at the same time thus stirring up some rust sediment in the distribution system. If you do have some discoloration in your water, please flush your line.

Questions or Concerns please contact Reading Department of Public Works at 517-283-2835.
