Storm Damage Pick-Up

Thursday, September 1, 2022

Due to the recent storm, the City will provide an additional Pick-Up of the tree limbs and branches, as well as any bagged yard waste materials, such as leaves, and grass/garden clippings etc. All eligible materials need to be placed at the curb **NO LATER** than 7am on Thursday, September 1, 2022.

Please note limbs must be no longer than 8ft in length and be placed along the street edge in such a manner to have all the limbs in one direction. They will also pick-up any leaves or other yard waste debris that are bagged.

Also, please note that all items placed at the curb for pick-up must be placed away from trees, street signs, power poles, mailboxes, or any object that would make it difficult for the equipment operator to pick-up at your location.

Again, please remember that all materials must be placed at the edge of the street **NO LATER** than 7am on Thursday, September 1, 2022.
